

Friends of Horsey Seals

Confidentiality statement

Friends of Horsey Seals (FoHS) data management is conducted according to FoHS Data Protection Policy and in accordance with the legal framework of the General Data Protection Regulations (GDPR 2018).

Personal data is kept securely and used only for providing services and managing membership and wardening activities. We use service providers for our website and other operational needs. All service providers are subject to terms of engagement that assure us of adherence to GDPR and good practice.
